# Just One Angel

*Holiday music you'll never hear in an elevator!*

*Just One Angel* is a holiday compilation of new Christmas/Hanukah/Solstice/New Year's songs by 22 of America's best contemporary singer/songwriters. Songs range from the soulfully reverent anti-war hymn "Daughters And Sons" to the irreverent "Jewish Kid Born On Christmas Day Talkin' Blues" to the sly "Christmas In Brooklyn" to the wistful "Christmas In LA," to the clever "Is it Hanukah or Chanukah?" Christine Lavin gathered together songs by some of her all-time favorite performers: Uncle Bonsai, Janis Ian, The Bitchin' Babes, Jeff Daniels, Lori Lieberman, and Kate Taylor, along with newcomers David Rasche, Larry Murante, young sisters Ruby and Ava Locknar and a dozen others to create an album sure to please anyone eager to hear smart, new holiday fare this Christmas season.
